For dividends/distributions on units in listed trusts, units in quoted ETFs or Managed Funds, and preference securities, the period ended/ending date may correspond to the payment date and may be a future date. If a special or scrip dividend/distribution is notified at the same time as another dividend/distribution which relates to a period of one month, one quarter, six months or twelve months then the special or scrip dividend/distribution will be characterised with the same period type and will have the same period ended as that dividend/distribution. If the dividend/distribution is special and/or scrip only and "does not relate to a specific period within the financial year in which it was paid" has been ticked in Q2A.2, then a period ended date may not be applicable.</i></p>	31/12/2022
